## PAST PERFORMANCE

Creative Visions has partnered with several distinguished businesses in the industry providing cyber security services supporting Phase 1 and Phase 2 of DHS's Continuous Diagnostics and Mitigation (CDM) program. This program provided federal departments and agencies with capabilities and tools that identify cyber security risks on an ongoing basis, prioritize these risks based upon potential impacts, and enable cyber security personnel to mitigate the most significant problems. We also currently support DHS's Dynamic and Evolving Federal Enterprise Network Defense (DEFEND) E program under the leadership of ManTech servicing networks for the departments of Education and Housing and Urban Development, the HUD Office of Inspector General, Environmental Protection Agency, Federal Deposit Insurance Corporation, Nuclear Regulatory Commission, National Science Foundation, Securities and Exchange Commission and Small Business Administration.

## DIFFERENTIATORS

**Technology:** We focus on developing robust, secure, and stable technology solutions for organizations. By incorporating common sense solutions into seemingly daunting deliverables, we can ensure at the start of the project that we will safely deliver the product to completion.

**Quality:** Quality and customer satisfaction are monitored, and problems are resolved quickly. Creative Visions is reliable, performs highly and is prepared to do this for every contract.

**Our People:** Creative Visions is located in the Washington, DC Metropolitan Area, and our people have extensive experience providing services for the federal Government. We are loyal to our customers and committed to surpassing all requirements and expectations.
